

BLUE RIDGE SHOOTERS' CLUB, INC

REGULATIONS & SAFETY RULES

www.blueridgeshooters.com

GENERAL

The Blue Ridge Shooters' Club, Inc. ("BRSC", "Club") is a private organization, which strives to maintain a safe and friendly atmosphere where members can enjoy the shooting sports. Consequently, these rules and regulations have been developed for all Club members (and guest) to follow when using the range. Failure to follow the safety rules can lead to dismissal from the range or, upon review by the Board of Directors, expulsion from the Club. Safety is everyone's responsibility.

MEDICAL EMERGENCY

1. In the event of a medical emergency while at the range.
 - a) Call 911 immediately.
 - b) BRSC's 911 address is: 2780 South River Road (State Route 608) Vesuvius, Virginia.
 - c) Notify a Club officer as promptly as possible, contact information for Club officers is posted at the range house and the clubhouse.

REGULATIONS

1. Daily shooting range hours have been developed as a courtesy to our neighbors and must be obeyed. Center fire rifle and handgun, shotgun, and black powder hours are.
 - a) Eastern Standard Time: 8 AM until 7 PM or sunset (whichever occurs first).
 - b) Daylight Savings Time: 7 AM until 8 PM or sunset (whichever occurs first).
 - c) Daily shooting range hours for rim fire are sunrise to sunset.
 - d) No shooting is allowed after sunset.
2. The entrance gate is to be locked at all times when the range is not in use.
3. Under no conditions may a member duplicate the key or divulge the combination of the lock on the entry gate to a non-member.
4. Hunting is not allowed at any time on Club property.
5. Each member shall be responsible for a minimum of four hours of work on behalf of the Club each year. This requirement may be met individually by policing up the range after shooting (picking up old targets, paper, shell casings, etc., and taking trash away). You may also participate in a scheduled workday. After all shooting sessions, members and guests are responsible for cleaning up their spent ammunition, brass, casings, shells, targets and trash. All targets shall be removed from the range by the shooter after use. Do not leave trash on the range. Note: Only BRASS shell casings are to be put into the Brass Only barrel. All other shell casings are trash; this includes all plastic/paper shotgun hulls, all steel cases, and all aluminum cases.
6. Any member who destroys Club property or willfully leaves trash on the range will be subject to disciplinary action, up to and including expulsion from the Club by the Board of Directors.
7. Guests and children must be under the direct supervision of a current Club member. Guests who visit more than four (4) times to shoot within a year are asked to apply for Club membership.

SAFETY RULES

1. Follow the three NRA basic safety rules at all times.
 - a) Always keep the gun pointed in a safe direction.
 - b) Always keep your finger off the trigger until ready to shoot.
 - c) Always keep the gun unloaded until ready to use.
2. First aid kits are located in the clubhouse and shooting house by the doors.
3. Consumption of alcoholic beverages or use of drugs, while on the premises is prohibited. Persons under the influence of alcohol, narcotic stimulants, depressants, or demonstrating impaired behavior of any kind that creates an unsafe environment, will be prohibited from using the range and reported to the Board of Directors.
4. Eye and ear protection are strongly recommended on all firing lines including the shooting house, range covers and trap range. Each person shall absolve from liability the Club and any and all members for any eye or ear damage resulting from the failure to use proper personal protective equipment. Notify all shooters on the firing line when preparing to shoot.
5. Procedure for going downrange:
 - a) Call for a *Cease fire*
 - b) All shooters must acknowledge the cease fire
 - c) Firearms must be unloaded, action open and placed on the bench or in a gun rack
 - d) Firearms are not to be handled while anyone is downrange
 - e) Proceed downrange and fix targets
 - f) Return to the firing line and account for all shooters and non-shooters
 - g) Deactivate the Down Range Warning System (DRWS)
 - h) Announce firing line is *Live*
6. There shall be no horse play at or on the firing line at any time.
7. Target requirements and restrictions:
 - a) All shooting shall be deliberate aimed fire at appropriate targets, no unaimed fire is permitted.
 - b) Place all targets so that bullets passing through or adjacent to the targets will hit the berm (earthen backstop).
 - c) Do not place targets on directly on the ground.
 - d) Do not place objects on the tops or bases of the frames.
 - e) Do not shoot at or near stanchions, support pipes, buildings or roads.
 - f) Repair any frame that you accidentally shoot.
 - g) No glass bottles and containers.
8. Metal targets may be used at BRSC range for non-sanctioned events with the following restrictions:
 - a) Must use only rim fire and handgun center fire ammo (no center fire rifle ammo allowed).
 - b) Non-jacketed ammo recommended.
 - c) The target must be placed at the berm.
 - d) Target must be used according to manufacturer's recommendations.

BLUE RIDGE SHOOTERS' CLUB, INC

REGULATIONS & SAFETY RULES

www.blueridgeshooters.com

- e) Homemade targets must be at least equivalent to manufactured targets or targets used in sanctioned shoots.
 - f) Targets must be functionally in good repair.
 - g) Targets must be shot from a straight on position.
 - h) Eye protection required for all at the range where targets are in use.
 - i) Metal cans (food grade) may be used as targets if they are placed approximately 3 feet up on the berm, or on a target stand such that the bullets impact the berm.
9. Trap Shooting:
- a) Coordinate with 100 yard range so that trap shooting is stopped when people are downrange.
 - b) Keep action open at all times until on the line ready to shoot.
 - c) Never walk in front of the trap house when throwers are on.
 - d) Ensure nobody is in the trap house before starting a round of trap.
 - e) Do not pick up empty hulls until the round is complete.
10. Club Shooting Competitions:
- a) Shall be held in accordance with the safety rules and regulations of the sanctioned match organization.
 - b) All competitors will be held in strict adherence to the safety procedures as directed by the Range Safety Officer.
 - c) Firearms shall be unloaded until the appropriate command, such as, *Load, Commence fire*, is given.
 - d) The command *Cease fire!* Can be given by anyone in case of an emergency.
 - e) At the *Cease fire* command, all shooters are to stop firing immediately and wait for further instructions.
 - f) The action must be open and the firearm unloaded when moving any firearm from or to the firing line.
 - g) The muzzle must be pointed in a safe direction defined as downrange, or, in the event that the downrange direction is not clear, the muzzle must be pointed up.
11. Strictly prohibited:
- a) 50 BMG rifles or any cartridge derived from this design.
 - b) Fully automatic firearms, described as any firearm with the capability of firing more than one round of ammunition with only one squeeze of the trigger.
 - c) Tracers or armor piercing ammunition.

These rules may be revised at any time by the Board of Directors.

By order of the Board of Directors,

William Armstrong

BRSC Secretary
